

Huron County Postpartum Support

Why is everyone happy but me?

The #1 complication of childbirth is depression.

1 in 8 new moms has a postpartum mood disorder.

It is treatable.

For local support attend a postpartum support group meeting.

www.huronpostpartum.com

We meet at Huron Medical Center from 6-7:30 pm. on

January 18, February 15, March 21, April 18, May 16
