

# Literacy Fun in the Thumb

Connecting children and families to a love of books!

Literacy Playgroups are fun, learning outings for children birth-five and their parents. Literacy Playgroups will provide children with a variety of books, toys, and activities to participate in. During each session children will hear a story, have snack, and play. At each session we will encourage those eligible parents to chose books to check-out with their children.

Literacy Playgroups are free and there is no need to preregister, just show up and be ready to read, play, and interact with other children and parents.

Playgroups will be traveling to each of the libraries throughout Huron County connecting children and families to a love of books. Literacy Playgroups are brought to you by Huron County Great Start, the HISD, and Bad Axe, Harbor Beach, Pigeon, Port Austin and Ubly libraries.

If you have questions about the literacy playgroups please call Melissa at 989-269-3489. In case of inclement weather playgroup may need to be canceled, please listen to WLEW 102.1 FM for announcements.
