

Stewards of Children is a prevention training program that teaches adults how to prevent, recognize and react responsibly to child sexual abuse. The program is designed for organizations that serve youth and for individuals concerned about the safety of children. It is the only nationally distributed, evidence based program proven to increase knowledge, improve attitudes, and change child protective behaviors.

What are the distinctive features?

1. A trained facilitator uses a three part DVD presentation integrating commentary from sexual abuse survivors, experts in the field, and other concerned adults all providing practical guidance for preventing and responding to sexual abuse.
2. An interactive workbook is designed to facilitate discussion, reinforce key concepts, and serve as a resource guide and personal action plan for resolving child sexual abuse.
3. A facilitator-led discussion about important issues in sexual abuse prevention and the relevance of these issues within the community and organizations that serve children.

1 in 4 girls

1 in 6 boys

will be sexually abused before age 18

Stewards of Children is a 3 hour training led by an authorized facilitator. In Huron County, Melissa Stirrett, a Parent Educator at the Huron Intermediate School District is trained to provide this class. Melissa has trained over 148 community members including EMT's, clergy members, social workers, teachers, parents, grandparents, social workers, and others who wished to learn more about protecting children.
